

How to create save queries and alerts in Nusearch

How to save query & alerts in NUsearch

- Library Collections:** search for books and journal titles.
- Articles:** search a very large collection of journal articles and conference papers.
- Other search options:** even combining "Library Collections" and "Articles" in one search doesn't cover everything. If you don't find what you need through NUsearch, consider the options listed on the right hand side of the screen.

- Type your **'keyword'** or **'key phrase'** and click **'Search'** for resources
- Library Collections tab:** Print Books / eBooks
- Article tab** : Journal/Conference papers
- Library Collections & Articles tab:** both
